

CONCRETE BARRIER FENCING

Modu-Loc Fence Rentals offers superior installation systems that adapt to the most demanding conditions, including roadside applications. Modu-Loc fence can be mounted on concrete or jersey barriers, providing additional security and privacy for roadside installations.

CONCRETE BARRIER INSTALLATION with saddle mounts or bolted plates

STRONG BREACH DETERRENT – visually and physically

REDUCES INSTALLATION TIME AND COSTS over other mounted barrier systems

MORE VISUALLY APPEALING compared to traditional barrier fences

MINIMIZES PUBLIC'S EXPOSURE TO DUST AND DEBRIS and reduces site visibility – with privacy screening

16 locations throughout Canada providing nationwide service
