

WHITE PICKET FENCE

MODU-LOC
FENCE RENTALS

ANYTIME. ANYWHERE.

Modu-Loc's white picket fence is the premium crowd control option for high-end special events and brand activations. Made of high-quality PVC, our white picket panels offer improved longevity versus traditional wood panels. Secure patios, exhibits or VIP areas without compromising on style.

PUBLIC SAFETY - effectively manage the access and flow of attendees at events

DIMENSIONS: 36 inches (0.91 metres) tall by 6 feet (1.83 metres) long

HIGH-QUALITY PVC: panels are both durable and lightweight

16 locations throughout Canada providing nationwide service
